

Students are advised to follow these instructions issued by Higher authorities

- All libraries at Panjab University to be closed till 31st May 2021
- Hostels, mess and canteens are closing as the same is already done at other institutions in order to avoid any emergency at hostel
- All physical facilities at PU to remain closed till 31st May 2021; online teaching will continue
- Students are advised to return to their homes from hostels
- Students who have to go to places where lockdown is imposed, shall be helped by the University. Students going to airport, railway stations, and bus stops shall be provided facility by University.
- Students who are about to submit thesis, viva or such work should have patience as their well being is of utmost importance. They should rest assured that they will be compensated as soon as things become better.
- Online Library resources are being provided to all members. Teachers may help students and research scholars for access to such resources.
